Searching for Happiness...

Blue Bird

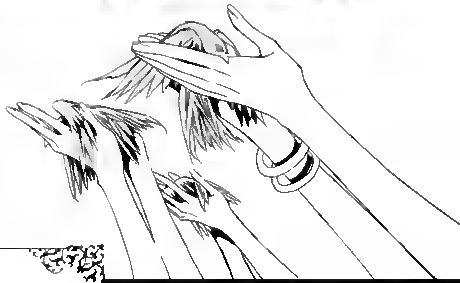
"The Blue Bird has died...!"

The people were in a panic, for their blue birds had died.



The people went to the god, seeking to revive their blue birds.

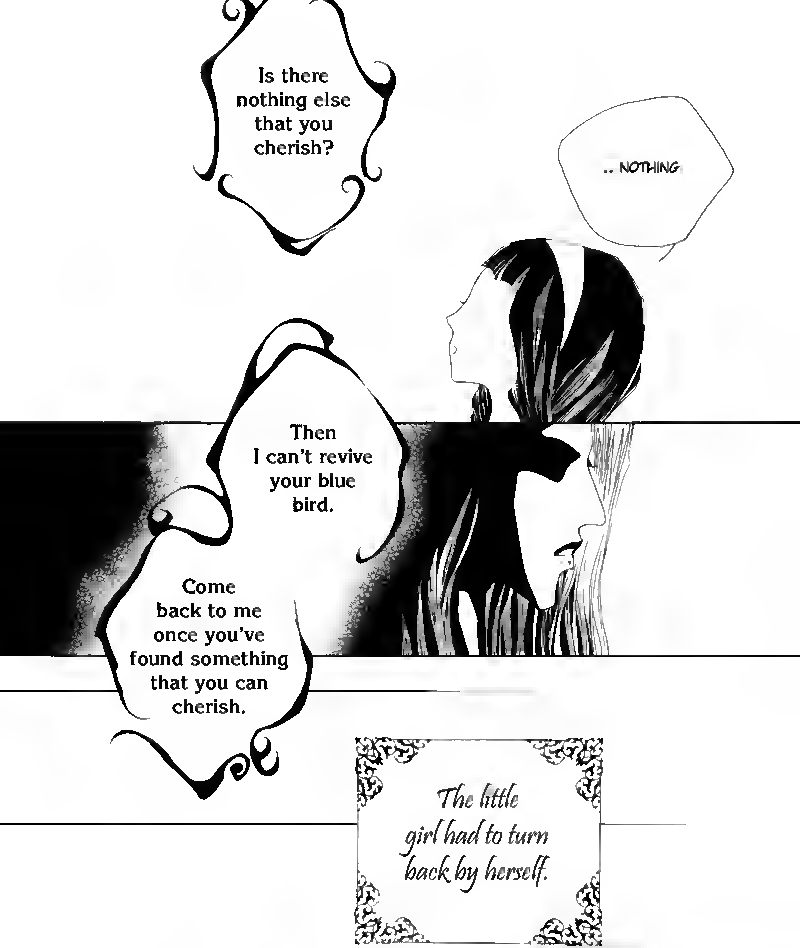
They begged him to save their blue birds.

The god replied.

Fine, I will resurrect your blue birds.

But there is a price.
Give me something that you cherish in return.
The people began putting forth their cherished items.
GOD, I WILL GIVE UP ALL MY LANDS AND MATERIAL GOODS!
I WILL GIVE UP MY PRECIOUS MONEY AND TREASURES!
Then, the blue bird will be alive once more.
projectnoir.net

While others were offering up their cherished items,
the god asked a silent girl standing in a corner.
Little girl, do you have nothing that you cherish?
NO, FOR WHAT I CHERISH THE MOST
LIES STILL IN MY HANDS
projectnoir.net



Is there nothing else that you cherish?
.. NOTHING
Then I can't revive your blue bird.
Come back to me once you've found something that you can cherish.
The little girl had to turn back by herself.

She couldn't sacrifice someone that she loved to the god...
So, she didn't need to go back to the god again.
ERM...
UM..
For she had found a bird flying near herself.

After time passed, the people begged the god again.
GOD! OUR BLUE BIRDS HAVE DIED AGAIN!
Fine, I will revive them once more.
Sacrifice your cherished items in return.
When the people realized that they had nothing they cherished,
they had to turn back in sadness.

project noir

Long, long time ago, the god had given the people the ability to revive their blue birds.

However, instead of trying to revive the birds themselves,

They only sought to depend on their blue bird for their happiness.

IT'S A RELIEF TO SEE THAT YOU HAVEN'T BEEN HURT

Because the little girl had found that she could revive her blue bird
Umm, I- I'm.
I'm blooming*!!
She did not have to sacrifice her cherished things to the god.

*TN: She's so flustered that she chose a weird word to express how "healthy and fine" she is
